

Instruments

TESTO digital body thermometer

temperature probe with rounded measuring tip 3 x 300mm (DxL),
measuring range: -25°C up to +120°C,
energy supply: batteries are included in scope of delivery

Art. No.	Description	Unit
51478	Digital body thermometer, declaration of conformity according to new calibration regulations	1 unit
47916	Digital Body Thermometer (can not be calibrated)	1 unit
55081	Handy bag for digital body thermometer Testo	1 unit
52012	Temperature measuring kit Post Mortem	1 unit

Temperature measuring device digital (handheld unit) measuring range -50°C up to +300°C, splash-proof, min/max and hold function, probe with 1m cable and handle, penetration probe made of stainless steel,
energy supply: batteries 2x AAA are included in scope of delivery

Art. No.	Description	Unit
48661	Temperature measuring device, digital	1 unit

Disposable cover for temperature probes of the above mentioned digital thermometer, hygienic rectale temperature measurement

Art. No.	Description	Unit
47917	Cone-shaped, 6 - 26 x 35 x 150mm (DxWxL) with lubricant gel	100 units 1 package
47918	5 x 200mm (DxL) for art. No. 47916	1 unit
	for a quantity of	25 units 1 unit
	for a quantity of	50 units 1 unit

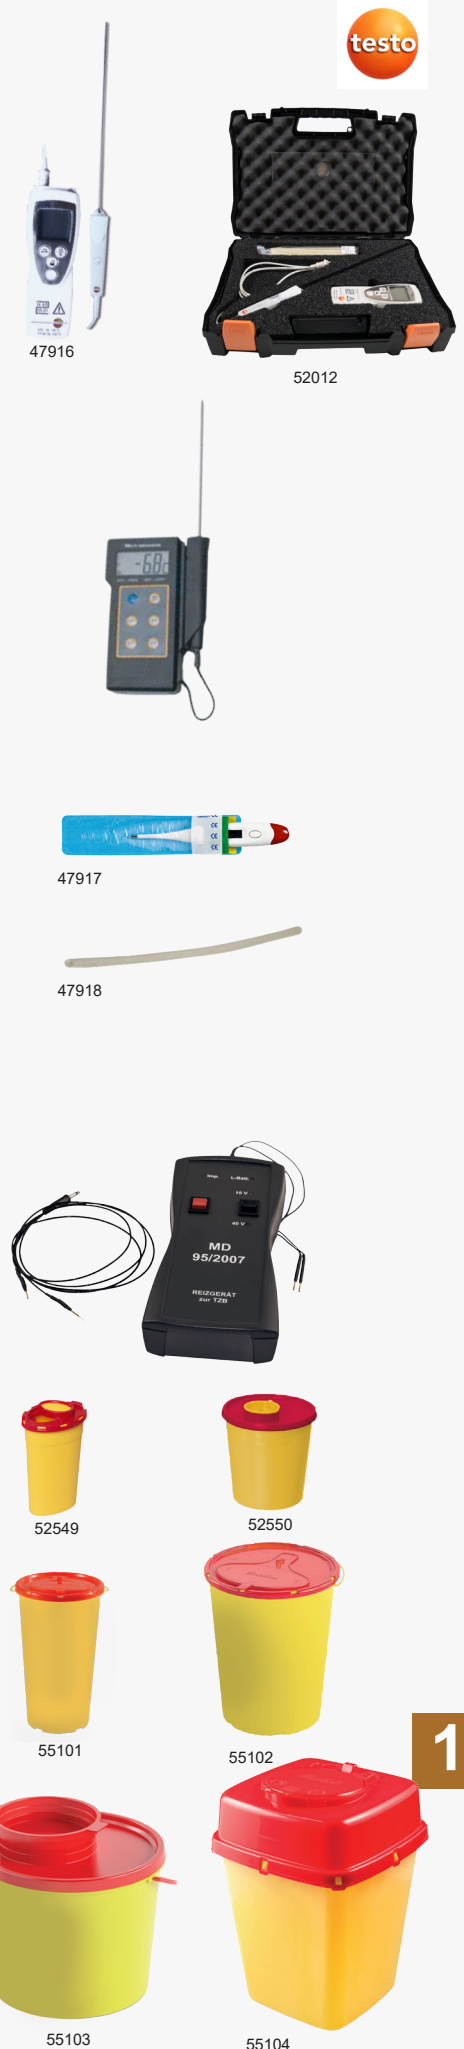

Electronic impulse equipment for determination of time of death, type MD 95
with one set of contact needles (2 units) and one set of contact electrodes,
operating manual
energy supply: 4 batteries are included in scope of delivery

Art. No.	Description	Unit
47919	Electronic impulse equipment for determination of time of death	1 unit
47920	Contact needles with 2 needles for penetration	1 set
54711	Contact needle with 2 surface contacts for placing onto the body	1 set

Sharps collectors

used to dispose pointed and sharp objects,
non-penetrable, tightly closed lid, large opening in lid with flap for temporary
and final closing, safe removal of sharps due to special lamellas

Art. No.	Description	Unit
52549	Oval, 131mm (H)	200ml 1 unit
52550	Round, 121 x 79mm (HxD-bottom)	500ml 1 unit
55101	Conical, 11 x 18.2cm (DxH)	1L 1 unit
55102	Conical, 16.9 x 20.5cm (DxH)	3L 1 unit
55103	Round, 21.4 x 19.5cm (DxH)	5L 1 unit
55104	Square, 19 x 19 x 25.7cm (LxWxH)	6L 1 unit

Scalpel handle by BAYHA® made of stainless steel

The proven BAYHA locking system of scalpels is characterised by the highest safety in handling. The blade can be changed quickly and easily without touching. The handle is suitable for all BAYHA blades.

Art. No.	Description	Unit	
49659	No. 1	13 cm (L)	1 unit
51049	No. 6 ergonomically shaped		1 unit
51050	Protective cap suitable for all BAYHA scalpels		1 unit

Scalpel blades for BAYHA® scalpel handle, sterile R

Art. No.	Description	Unit	
49660	Figure 11	72 units	1 package
49661	Figure 19	72 units	1 package
49662	Figure 21	72 units	1 package
50249	Figure 23	72 units	1 package

Scalpel handle

Art. No.	Description	Unit	
48427	No. 3 for blades figure 10-11		1 unit
48428	No. 4 for blades figure 18-24		1 unit

Disposable scalpel blades, sterile

Art. No.	Description	Unit	
48429	Figure 10	100 units	1 package
49040	Figure 11	100 units	1 package
48434	Figure 21	100 units	1 package
50754	Figure 23	100 units	1 package

Forceps**Anatomical forceps** made of stainless steel, non-sterile

Art. No.	Description	Unit
49619	Round	10cm 1 unit
48402	Round	14.5cm 1 unit
55298	Round	20cm 1 unit
49067	Round	30cm 1 unit
49622	Round, extra slim	15cm 1 unit
50753	Pointed	11cm 1 unit
49729	Pointed	14.5cm 1 unit
52492	Pointed	16cm 1 unit

Disposable anatomical forceps

Art. No.	Description	Unit
50335	Scissors shape, non-sterile 12cm	100 units 1 package
51632	Round, non-sterile, PS 12cm	100 units 1 package
48404	Round, sterile, PS, 12cm individually packed	100 units 1 package
48509	Fine (sterile R), GFRP polymer individually packed	12cm 1 unit
48511	Round (sterile R), GFRP polymer individually packed	14.5cm 1 unit
48513	Round (sterile R), GFRP polymer individually packed	20cm 1 unit

Disposable surgical forceps, sterile R, made of GFRP high performance polymer, individually packed

Art. No.	Description	Unit
48510	Fine	12cm 1 unit
48512	Fine	14.5cm 1 unit

Forceps, non-sterile

Art. No.	Description	Unit
48405	Half pointed nickel-plated, curved, with guiding pin	15cm 1 unit

Watchmaker forceps No. 4, stainless steel, non-sterile

Art. No.	Description	Unit
50334	Sharp and pointed, straight, flat handle	11cm 1 unit

Splinter forceps Feilchenfeld, non-sterile

Art. No.	Description	Unit
48406	Pointed, filed	11cm 1 unit

Scissors

Disposable scissors, sterile, individually packed

Art. No.	Description	Unit	
48506	Sharp/sharp (sterile R) straight, made of GFRP polymer	11cm	1 unit
48532	Sharp/sharp (sterile EO) straight, made of plastic/metal	13cm	1 unit
48534	Blunt/blunt (sterile EO) straight, made of plastic/metal	13cm	1 unit
48533	Blunt/sharp (sterile EO) straight, surgical made of plastic/metal	13cm	1 unit

Scissors, made of stainless steel, non-sterile, stainless

Art. No.	Description	Unit	
48410	Surgical scissors blunt/blunt	14cm	1 unit
50136	Surgical scissors curved sharp/sharp	14cm	1 unit
50336	Bandage scissors	20cm	1 unit

Fabric scissors, made of stainless steel, non-sterile, stainless

Art. No.	Description	Unit	
48411	Fabric scissors	20cm	1 unit
52505	8 inch, dihedral facet cut, ergonomic plastic handle in black	20cm	1 unit
50337	Coated handle, black	31cm	1 unit

Scissors, made of stainless steel, non-sterile, stainless, precision cut on single or two surface, break-proof, black plastic handles

Art. No.	Description	Unit	
48413	5.5 inch	14cm	1 unit
48414	6.3 inch	16cm	1 unit
48415	7 inch	17.5cm	1 unit
50135	8.4 inch	21cm	1 unit
54571	10 inch	26cm	1 unit

Art. No.	Description	Unit
47924	Nail clippers round, with chain	5cm 1 unit
52508	Nail clippers round, with collection container	7cm 1 unit
47925	Nail cleaner	12cm 1 unit
54771	Disposable nail scissors, EO-treated, curved individually packed	9cm 1 unit
47926	Nail scissors, curved	10.5cm 1 unit
48978	Nail scissors, straight	10.5cm 1 unit
47927	Nail nippers	12cm 1 unit
50515	Manicure kit in leather case	6-part 1 kit

Fingerprint cardholder tool, for taking fingerprints during post-mortem examination

Art. No.	Description	Unit
47921	Fingerprint cardholder tool, stainless steel, unpainted	14 cm 1 unit

Mouth/laryngeal mirror

Art. No.	Description	Unit
47923	22mm x 13cm (DxL)	1 unit
52161	Extendable up to 500mm (L), 30mm (D)	1 unit

Comb and razor

Art. No.	Description	Unit
54309	Fine toothed comb/nit comb, EO-treated, individually packed	1 unit
48424	Fine toothed comb/nit comb	1 unit
47491	Disposable comb, white, individually packed	1 unit
48407	Disposable single-blade razor	100 units 1 package

STERILE EO

Body sheetings and body bags

Body sheeting PE, black, in ziplock bag, material thickness: 0.08mm

Art. No.	Description	Unit
47912	220 x 150cm, individually packed	1 unit
47913	220 x 150cm	3 units 1 package
50153	400 x 150cm, individually packed	1 unit

Body sheeting PE, black, on a roll, material thickness: 0.08mm

Art. No.	Description	Unit
47914	150cm (W)	100m 1 roll

Body bag PEVA

1 document pocket 135 x 250mm (LxW)
two-way zipper on 3 sides made of polyester with twin ring pullers and
with watertight eyelet seal, material thickness: 0.20mm

Art. No.	Description	Unit
52605	62 x 46cm (LxW), black	up to 70kg 1 unit
53961	62 x 46cm (LxW), white	up to 70kg 1 unit

Body bag PEVA

2 document pockets 155 x 110mm and 330 x 245mm (LxW)
with 6 grab handles and two-way zipper on 3 sides made of polyester with
twin ring pullers and watertight eyelet seal, material thickness: 0.25mm

Art. No.	Description	Unit
52607	228 x 109cm (LxW), black	up to 180kg 1 unit
53330	228 x 109cm (LxW), white	up to 180kg 1 unit

Body bag (corpse coverings) PE

4 grab handles on its short side, C-zip, waterproof, combustible,
in accordance with VDI 3891, thickness: 0.17mm

Art. No.	Description	Unit
54527	235 x 90cm (LxW), black	up to 190kg 1 unit
54526	235 x 90cm (LxW), white	up to 190kg 1 unit
