Wash bottle closure, PE, natural coloured for narrow neck bottle.

Art. No.	Description	Unit
48295	for 100ml	1 unit
48296	for 250ml and 500ml	1 unit
48297	for 1L and 2L	1 unit

Pump spray bottle (spray bottle)

Art. No.	Description	Unit
49771	PE, transparent	100ml 1 unit
53429	PETG, crystal-clear	500ml 1 unit
52544	PE, transparent, over head spray function	500ml 1 unit
53430	PE, transparent	1L 1 unit

Rocker arm bottle, natural coloured, round (dispenser bottle)

Art. No.	Description	Unit
48313	PE, 30ml	1 unit
48314	PE, 60ml	1 unit
54469	PP, 100ml	1 unit
48315	PE, 150ml	1 unit

Oiler bottle, PE, natural coloured, with closed tip and protective cap

Art. No.	Description	Unit
48318	Oval, 51 x 28 x 79mm (LxWxH)	50ml 1 unit
48319	Round, 48 x 115mm (DxH)	100ml 1 unit

Laboratory trays

made of stainless steel 18/10, acid/alkali resistant,
heat-resistant up to max. 600°C, matt polished

Art. No.	Description	Unit
55098	35 x 25 x 5cm (LxWxH)	1 unit
55099	45 x 30 x 5cm (LxWxH)	1 unit

made of impact-resistant and very stable in shape PVC, acid/alkali resistant,
heat-resistant up to 60 °C, available with or without ridges

without ridges

Art. No.	Description	Unit
50164	red 13x18x3.5cm	1 unit
50607	red 24x30x5cm	1 unit
50907	red 30x40x5.5cm	1 unit

with ridges

Art. No.	Description	Unit
50235	black 13x18x3.5cm	1 unit
50233	red 13x18x3.5cm	1 unit
50234	white 13x18x3.5cm	1 unit
50166	black 18x24x4.5cm	1 unit
50167	red 18x24x4.5cm	1 unit
50168	white 18x24x4.5cm	1 unit
50169	black 24x30x5cm	1 unit
50170	red 24x30x5cm	1 unit
50171	white 24x30x5cm	1 unit

Further laboratory trays are available in various versions, in colours
black, red and white from our own production!

Microscope slides, 76 x 26mm (LxW), thickness approx. 1mm, pre-cleaned,
ready for use

Art. No.	Description	Unit
48422	Half-white, cut edges	50 units 1 package

Microscope slide box PE for microscope slides, 76 x 26mm (LxW)

Art. No.	Description	Unit
50487	for up to 2 microscope slides	50 units 1 package
51044	for up to 5 microscope slides	10 units 1 package

Petri dish, 60 x 15mm (DxH), made of glass, 2-part with bottom and lid

Art. No.	Description	Unit
50960	Petri dish	1 unit

Double spatula made of stainless steel, non-sterile

Art. No.	Description	Unit
50339	150 x 9mm (LxW)	1 unit

Graduated can PP, super-transparent, with embossed scale, acid and chemically resistant

Art. No.	Description	Unit
48354	500ml	1 unit
48355	1L	1 unit

Funnel PE, natural coloured, small funnel opening for liquids

Art. No.	Description	Unit
48779	60mm (D)	1 unit
48374	80mm (D)	1 unit
48376	140mm (D)	1 unit
48378	200mm (D) with sieve	1 unit

Lab water bi-distilled

Art. No.	Description	Unit
53688	Bi-distilled water in pump spray bottle	50ml 1 bottle
51072	Bi-distilled water	1L 1 bottle
50428	Bi-distilled water	10L 1 jerry can

Lab water distilled, demineralised, chemically pure, according to VDE 0510 and DIN 43530

Art. No.	Description	Unit
51307	Distilled water in pump spray bottle	100ml 1 unit
51029	Distilled water	500ml 1 bottle
49436	Distilled water shrink-wrapped in protective foil	1L 1 bottle
